It is now reported that the Southern Railway is endeavoring to enter the West Virginia coal fields. The Southern has about as many mines and mining property as any of the southern lines, but it seems to want some of the natural richness of the hills in West Virginia, the coal to go probably to Newport News. The Southern is now carrying large amounts of Alabamacoal to New Orleans. Scott's Emulsion is the means of life and of the enjoyment of life of thousands of men, women and children.

To the men Scott's Emulsion 5 gives the flesh and strength so necessary for the cure of consumption and the repairing of body losses from any wasting disease.

The fact that the Southern is negotiating for the little lines and intends to build into West Virginia explains a mystery many explains a mystery of surveyors mapped out a route from Fredericksburg to Waynesboro, Stanutou and Harrison burg.
